

GOVERNMENT OF INDIA
MINISTRY OF RURAL DEVELOPMENT
DEPARTMENT OF RURAL DEVELOPMENT

LOK SABHA
UNSTARRED QUESTION NO. 2236
ANSWERED ON 20/12/2022

SPMRM IN TAMIL NADU

2236. SHRIMATI KANIMOZHI KARUNANIDHI:

Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) whether the Government has any proposal to extend Shyama Prasad Mukherji Rurban Mission (SPMRM);
- (b) if not, the reasons therefor;
- (c) the details of funds sanctioned and pending for ongoing projects by the Ministry of Rural Development, cluster-wise; and
- (d) the details of audit/monitoring of outcomes for clusters of Tamil Nadu?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SADHVI NIRANJAN JYOTI)

(a) & (b) There is no proposal to extend Shyama Prasad Mukherji Rurban Mission (SPMRM) as 31st March 2022 has been declared as the “sunset date” for the scheme by the Government of India.

(c) Under the Mission, funds are not sanctioned but are released to the States/Union Territories (UTs). At the first instance, an Integrated Cluster Action Plan (ICAP) is prepared for a cluster which is approved at the District and the State level. The ICAP is then approved by the Ministry of Rural Development, Government of India. After the approval of ICAP, Detailed Project Reports (DPRs) are approved by the States/Union Territories (UTs) which reflect the investment approved for the clusters. The cluster-wise investment as approved for 283 clusters, as per the Management Information System (MIS) is placed at **Annexure 1**.

The Ministry of Rural Development releases only the Critical Gap Fund (CGF) to the States/UTs based on the requisition made by the States/UTs and also in accordance with the Government of India’s guidelines for release of funds under the Centrally Sponsored Schemes. Further releases to clusters are made by the States/UTs.

(d) NITI Aayog undertook an evaluation study on SPMRM covering all States/UTs. The study observed that SPMRM growth clusters are playing a role in reducing urban migration by ensuring that basic infrastructure and utilities are provided and industrialization is promoted. The Mission is very relevant for ensuring transformational development as against transitional development in India’s rural development sector. The study also observed that SPMRM ensures inter-Ministerial convergence of schemes thereby, ensuring multi-dimensional benefits. Mission provides clusters the flexibility to choose from 21 components which are relevant to the pressing needs of India’s Rurban spaces. Positive improvements in sanitation, piped water, education, health and road network facilities were also acknowledged in the report. 26% of the investment is targeted directly towards economic activities and the other investments are also indirectly facilitating the economic growth of the areas.

Details of investment approved cluster-wise under Shyama Prasad MukherjiRurban Mission

Sl. No.	State Name	Cluster Name	District Name	Approved Investment (in Rs Crores)
